

PARKING INFORMATION (6/24/19)

About Parking at SRJC

All parking for Santa Rosa Junior College is by permit or meter only. Parking regulations are strictly enforced 24 hours a day, 7 days a week, even when very few people are on campus. This includes handicapped areas. A parking ticket is expensive so we don't recommend you risk it!

If you don't have a current SRJC parking permit, single usage parking permits (\$4.00) can be purchased at a grey kiosk (cash or card) located as you enter each lot. Permits are required 7 days a week, 24 hours a day. These daily permits are only valid for the calendar day they were purchased and cannot be used for metered spaces.

You can relocate your vehicle from one parking lot to another on campus using the same day permit on the same day.

Where to Park for Auditions

We recommend that you start out by parking in/near the Zumwalt Parking Pavilion since that is closest to where audition registration and the preliminary auditions for both shows will be held.

If you are called back for the musical, we will also be holding dance callbacks in the Tauzer dance studio. We will be providing walking escorts to/from Forsyth Hall and/or Burbank Auditorium for those callback auditions.

While SRJC is a relatively safe campus, we strongly recommend that actors only walk in groups if you choose to walk across campus during auditions. There are fewer people on campus on the weekends and the various audition locations are fairly spread out. For the same reason, we don't advise parking off campus and walking to auditions alone.

Parking near Burbank Auditorium, Forsyth Hall, and Tauzer Gym

- **Best Choice:** Zumwalt Parking Pavilion, accessed from Bear Cub Way.
- **Second Best Choice:** Metered parking on Burbank Circle
The fee for parking in a metered space is \$1 per hour with a 1-hour maximum so they aren't ideal for auditions.

One Last Tip

If you encounter a permit machine that is not working, find another machine that is working. Also, report the broken machine number and location to District Police at 527-1000. They are also the people to call if you encounter any problems or need help while on campus.
