About Parking at SRJC

Due to Covid parking during the 2021 fall semester is currently free to students and community members.

Where to Park for Auditions

We recommend that you park in the Zumwalt Parking Pavilion since that is closest to where the callback auditions for both shows will be held.

While SRJC is a relatively safe campus, we strongly recommend that actors only walk in groups if you choose to walk across campus during auditions. There are fewer people on campus on the weekends and the various audition locations are fairly spread out. For the same reason, we don't advise parking off campus and walking to auditions alone.

Parking near Burbank Auditorium

- Best Choice: Zumwalt Parking Pavilion, accessed from Bear Cub Way.
- Second Best Choice: Metered parking on Burbank Circle
The fee for parking in a metered space is \$1 per hour with a 1-hour maximum so they aren't ideal for auditions.
